

# pilgrim

A traveler, a seeker, a discoverer. With a bathtub as the baggage of life and the counterweight of the world. Water, ferociousness and courage. On the edge of everything, with open eyes beneath the surface. In a surge of powerful dance with balance. PILGRIM. A living, breathing, dancing body on life's unpredictable, wonderful journey.

A solo by & with: Mark Philip / Uppercut Dance Theater

Trailer: <https://vimeo.com/714339054>

Duration: 17 minutes
